

20th CTAS ANNUAL WORKSHOP AND EXHIBITION

Stage West Hotel (Mississauga) May 12-13 2010

CTAS would like to invite you to **present a paper and/or poster** in this annual event. The subject matter may cover any aspect of thermal analysis techniques, hyphenated techniques and applications to organic or inorganic materials.

To encourage and recognize the contribution by students to the field of thermal analysis, awards will be given for the **best poster (\$50)** and **best oral presentation (\$200)** by students at the workshop.

This occasion is an excellent opportunity to meet other thermal analysts users and exhibitors, and to learn new applications in thermal analysis.
